

Product Description

Fannie Mae's Homestyle Renovation Mortgage helps homeowners finance the cost to repair, improve or upgrade their home as part of an insured home purchase or refinance mortgage. Renovations and other non-energy home improvements may be financed. The actual mortgage loan is provided through a Fannie Mae-approved lender, such as imortgage. The additional renovation project cost available to the homeowner through the Homestyle Renovation Mortgage is limited to 50% of the "as completed" appraised value of the home. As with any typical mortgage, the Homestyle Mortgage can be structured in many different ways that may include closing costs, fees or points. Additionally, it may include a monthly mortgage insurance fee.
